As we stand on the Bridge of 1982-83:
we watch the seasons change;
our friends come and go;
and our knowledge grows.
We plan our future and go our separate ways;
but, we will always remember the common Bridge we once Shared—Copiah Lincoln Junior College—
we once were there . . .

Dr Billy B. Thames, president of the Copiah-Lincoln Junior College District since January, 1968, constantly works for expansion and growth of both the Wesson and the Natchez campuses.

His years at Copiah-Lincoln have been highlighted with the completion of numerous new buildings, the renovation of older buildings, the founding in 1972 of the Natchez campus, and the continual increase in enrollment.

Dr. Thames's leadership ability has been evidenced by his serving this year as president of the Mississippi Association of Colleges and as District Governor of the Lions Club, International. He has served as president of the Mississippi Junior College President's Association and on numerous boards and committees, and in various offices for professional, service, religious, and fraternal organizations.

Dr. Thames is married to the former Anne Allen of Monticello and they are parents of Rachel, Rebecca, and William, Jr.

The Thames family: Rebecca, Rachel, Dr. and Mrs. Thames, and William.

Instead of Burning their Bridges:
they make new ones.
Instead of dodging a bridge;

Instead of condemning the bridge that carried them across;
they commend it;
Thus speaks the Character of Mr. and Miss Co-Lin.

Bridges were made for each of us to cross over

Some cross unhesitatingly

Eight win Hall of Fame honors

To be chosen to the Hall of Fame is the highest honor that can be given a Copiah-Lincoln Junior College student. The 1983 TRILLIUM presents six graduating sophomores in the thirtieth selection on the Wesson campus and two graduating sophomores in the sixth selection on the Natchez campus. Each was nominated in open nominations, approved by a screening committee of fellow students, recommended by a faculty committee on the basis of character, leadership, and contribution to Copiah-Lincoln Junior College. Dating back to 1954, this year's Wesson campus selection adds six to the list of 86 previous winners. The two Natchez campus selections add to 11 chosen since the initiation of the Hall of Fame in 1978.

We, the editors, would like to thank you for helping us make our 1982-83 Trillium a great success. We hope that the Trillium will help you remember all the small bridges that each and everyone of us crossed during our year at Copiah-Lincoln Junior College.

In the years to come, we hope this annual will help you to remember the good friends you met, the teachers who helped to guide you, the administrators who strived to improve the school for you, the activities you became involved in, and all the good times that you shared at Co-Lin.

We hope that in some small way that this year's theme for the Trillium comes true for you . . . that Copiah-Lincoln Junior College was a bridge to your future and that you become a better person in some small way for crossing that bridge!

Good-luck crossing your next bridge . . .
